The Cinque Donne Bold script font contains one alphabet set of bold hand lettered upper and lower case letters that have a simple yet lively feel. If you are using a cutting machine, you'll find that it cuts easily!

In addition to the Bold and Regular versions, the family also includes Cinque Donne Pro. This is the version that has all the bells and whistles! Tons of alternate upper and lower case letters with wonderful flourishes give you the most options in your designs. If you decide you can't live without it and want to upgrade, simple contact me, just pay the difference in price and I'll send you can own the Pro!

My favorite part of creating fonts is seeing how people use them in their designs. If you care to share, please send me pics of your projects! I'm happy to share them on social media giving credit to you, the designer and sharing a your store info.

Thanks for purchasing my font!

The Cinque Donne Regular script font contains one alphabet set of hand lettered upper and lower case letters that have a simple yet lively feel. If you are using a cutting machine, you'll find that it cuts more easily if you offset by 0.020.

In addition to the Regular and Bold versions, the family also includes Cinque Donne Pro. This is the version that has all the bells and whistles! Tons of alternate upper and lower case letters with wonderful flourishes give you the most options in your designs. If you decide you can't live without it and want to upgrade, simply contact me, just pay the difference in price and I'll send you can own the Pro!
