

DRESS

INSTRUCTIONS

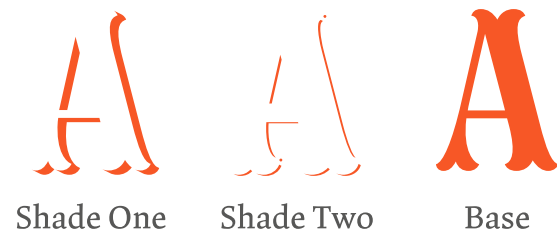

*With Love by Typesenses*

To my boyfriend Nacho, my friends, my family, my teachers, my colleagues, my distributors and to the people who choose my work (YOU):

THANKS!

The main member of this family is the Base font which can be used alone or decorated with the layers: Shade One or Shade Two, Inline One or Inline Two and Outline. In this way, experienced designers will create their own combinations. On the other hand, there are multi-layered fonts that make Dress easier to use: Dress Combo One to Five. Additionally, Dress Deco adorns the beginning and the ending of the words, while the Ornaments decorates the whole design. The family package contains all this options.
