

Quietism High

Quietism High Specimen
Designed by Michael Rafailyk in 2023

Quietism High
has the

High x-height

like in Quietism Text
and the

High contrast

like in
Quietism Display

Quietism High is an experimental subfamily that received a high contrast from **Quietism Display** and a high x-height from **Quietism Text**. It's still a Display typeface, albeit more graceful, wide and open.
