Performed

For years Carnaby was the place to be if you were a creative in search of inspiration. Carnaby earned its credentials during the 1960s with vibrant clashes of colour, new cultures, exciting new music and a rebellious identity, there was nowhere else like it in London. Music stars including Jimi Hendrix, The Beatles, The Rolling Stones, The Kinks and style icons Brigitte Bardot and Elizabeth Taylor were all Carnaby Street regulars. Cranks vegetarian restaurant opened in Carnaby in 1961. Lord John, which went on to become an international chain of menswear shops, first opened at 43 Carnaby Street in 1964 by Warren Gold. Time magazine first described London as the 'swinging city' on 15 April 1966. In 1966, to promote the opening of new boutique 'Tom Cat', owner Irvine Sellar asked Tom Jones to walk down Carnaby Street with 'Casino Royale' actress Christine Spooner and a cheetah. The Kinks 'Dedicated Follower of Fashion', talking about the 'Carnabetian Army' was released in 1966. In 1967, Paul McCartney meets Linda on 15 May at Bag O' Nails Club, 9 Kingly Street.

Quizdeltagerne spiste jordbær med fløde, mens cirkusklovenen Wolther spillede på xylofon. Falsches Üben von Xylophonmusik quält jeden größeren Zwerg! Zwölf Boxkämpfer jagten Eva quer über den Sylter Deich? Heizölrückstoßabdämpfung? El pingüino Wenceslao hizo kilómetros bajo exhaustiva lluvia y frío, añoraba a su querido cachorro. Portez ce vieux whisky au juge blond qui fume sur son île intérieure, à côté de l'alcôve ovoïde, où les bûches se consument dans l'âtre, ce qui lui permet de penser à la cœnogenèse de l'être dont il est question dans la cause ambiguë entendue à Moÿ, dans un capharnaüm qui, pense-t-il, diminue ça et là la qualité de son œuvre. Le cœur déçu mais l'âme plutôt naïve, Louÿs rêva de crapaüter en canoë au delà des îles, près du mälström où brûlent les novæ. At atmospheric pressure, carbon has no melting point as its triple point is at 10.8 ± 0.2 MPa and $4,600 \pm 300$ K ($\sim 4,330$ °C or 7,820 °F), so it sublimes at about 3,900 K. Að þurfa að gera við myndlist: "Andar Dauðra Staða Vildi, og Aftur á Svarta Örn eru þrjár kvíkmyndir."
